Announcement pursuant to paragraph 4.1.4.4 of ASE Rulebook

In the context of publication of the financial statements for the period 01.01.2017 - 30.06.2017 of SIDMA S.A. (hereinafter the “Company”), in pursuance of paragraph 4.1.4.4. of ASE Rulebook, the Company informs investors that all its shares were transferred to the category “Supervision” on 10.04.12 by virtue of the decision of ASE BoD dated 05.04.12, in pursuance of Article 3.1.2.5 of ASE Rulebook, because the book losses of the fiscal year ended on 31.12.2011 stood at a level higher than 30% of the Company's equity.

Pursuant to Article 3.1.2.6 (1), (4) and (6) of ASE Rulebook, company shares may be eligible again for regular trading insofar as the conditions laid down in paragraph 4 (a), (b), (c) are met, following application of the issuer and on the basis of the financial statements of each calendar half year.

After a prolonged period of negotiation for the completion of the 2nd Assessment, in the second half of 2017 we hope that the Greek economy will enter a developmental path to recovery even though market financing conditions are still unfavourable. Despite the market's expectation for the outcome of the negotiation with Greece's lenders in the first half of the year, SIDMA Group recorded an increase in its turnover while improving its operating and pre-tax results.

The Group's liquidity amounted to € 8.0 million, with the company's Management having undertaken a series of actions to strengthen its operations in recent years, which mainly concern the drastic reduction of the Group's operating costs and the reduction of credit periods, while also proceeding to the disposal of assets.
