

SIDMA S.A. successfully completed the issuance of a bond loan of 8 million Euros

SIDMA S.A. successfully completed the issuance of a bond loan of €8 million, in order to refinance the existing short term debts. The loan is three-year long and is divided into common non-convertible paper bonds, which were issued by the company and assumed by the HSBC Bank S.A. Specifically, eighty (80) common bonds, with nominal value of one hundred thousand (100.000) euros, each with quittance completion in 2011, were issued. The organization of the loan was undertaken by HSBC Bank.
